

Reliable, Timely, Accurate & Innovative Specialty Test Offering

P4 Diagnostix provides skilled nursing facilities, long-term care centers, physicians, and group practices with specialized, best in class clinical, anatomical, and molecular diagnostic testing

In-house testing, reducing the need for send-outs includes but not limited to Chemistry, Coagulation, Hematology, Immunology, Microbiology, Stool Collection, Urine Chemistry

- CBC w/auto Diff
- Basic Metabolic Panel
- Comprehensive Metabolic Panel
- Thyroid Stimulating Hormone
- UTI Panel w/Culture & Sensitivity
- Magnesium
- COVID-19
- CBC-No Diff
- Urinalysis with UTI Panel
- Prothrombin Time
- Lipid Panel
- Vitamin D, 25 Hydroxy
- Pre-albumin
- Vitamin B12
- Vancomycin Trough Level
- C-Reactive Protein
- Valproic Acid (Depakote/Depakene)
- Phosphorus
- Erythrocyte Sedimentation Rate
- NT-proBNP
- Renal Function Panel
- Ammonia
- B-12/Folate
- Keppra Level/Levetiracetam
- Hepatic Panel (LFT)
- Thyroid Panel (T3U, TT4, FT4, TSH)
- Ferritin
- Creatinine Kinase (CPK)
- Thyroxine (T4) Free
- TIBC & Iron
- Folate
- Clostridium difficile (CDIFF) Toxin By PCR
- TSH w/Reflex FT4
- Wound Culture
- Uric Acid - Serum
- Vancomycin Random Level
- Potassium
- Phenytoin/Dilantin
- Iron
- Prostate Specific Antigen
- D-Dimer
- Digoxin
- Manual Differential
- Lithium
- Blood Culture
- Occult Blood
- B-Type Natriuretic Peptide
- Bilirubin, Direct
- Parathyroid Hormone PTH, Intact
- Lipase
- Hepatitis C Virus Antibody
- Free Tri-iodothyronine (FT3)
- Partial Thromboplastin Time
- Procalcitonin
- Microalbumin, Urine
- Urine Culture & Sensitivity
- Albumin
- Amylase
- Troponin
- Respiratory Panel by PCR
- Gastrointestinal Panel by PCR
- Influenza A & B (Rapid Flu)
- Reticulocyte Count
- Protein + Creatinine, Urine Random
- Hemoglobin/Hematocrit
- Carbamazepine/Tegretol
- Triglycerides
- Sputum Culture and Gram Stain
- Total T4
- Hepatitis Panel
- Creatinine - Serum
- Phenobarbital
- Total T3
- Hemoglobin
- Rapid Plasma Reagin (RPR) w/Titre
- Hepatitis B Surface Antigen
- Creatinine, Urine Random
- Hepatitis B Surface Antibody (Immunity)
- Transferrin
- Stool Culture
- Lamotrigine/Lamictal
- Tacrolimus/Prograf
- Methylmalonic Acid - Serum
- Lactate Dehydrogenase LDH
- Antinuclear Antibodies by IFA
- Lactate Dehydrogenase LDH

Test Specialties - Anatomic Pathology, Endocrinology, Gastroenterology, Genetics, Genomics, Infectious Disease, Long Term Care, Oncology, Primary Care, Urology and Women's Health
